## BIRTHDAY PARTIES AT THE CAPE COD CONSERVATORY!

Have a fun and hands-on art birthday party at the Cape Cod Conservatory! Parties are designed for children ages 5 - 12. Guests begin by creating a card for the birthday child. The party continues with an art project led by Conservatory art teacher Nancy Pettibone. Cake and presents follow and (if time allows) a large group painting is created for the birthday child to take home later.

The Conservatory provides:

- Exclusive use of our art studio for 1.5 hours
- Art projects with Nancy Pettibone
- All materials used for art projects
- Art project clean-up
- Tables and stools
- Kitchen facilities (refrigerator, microwave, etc.)

Party host provides:

- Food and drinks (no sprinkles or jimmies, please!)
- Paper goods (plates, cups, napkins, utensils)
- Goody bags, balloons or other decorations (optional)
- Food and drink clean up
- Chaperones (at least one adult per 8 children)

Price is \$12 per child with a fifteen-child maximum (including birthday child). Minimum charge for each party is \$120. A parent or guardian for the birthday child must be present throughout the party. Parties are typically booked on Saturday or Sunday afternoons between 12:30-4:30, although other scheduling options may be available. Please call 508-362-2772 to schedule.
